EDUCATION

Ajeenkya D. Y. Patil School Of Engineering

Bachelor of Engineering in Electronics and Tele-communication

SGPA: 8.0/10.0

Pune, Maharashtra

July 2021 – June 2025

Purandar JR College, HSC

Percentage: 84%

Pune, Maharashtra

June 2020 – April 2021

M.E.S. High School, SSC

Percentage: 82%

Pune, Maharashtra

June 2018 – April 2019

TECHNICAL SKILLS

- **Programming Languages:** Java, Python, C++, HTML, CSS, C
- **Databases:** MySQL
- **Developer tools:** GitHub, Visual Studio Code, AWS
- **Relevant Coursework:** Object Oriented Programming, Database Management System, Data Structures and Algorithms, Operating Systems, Computer Networks

PROJECTS

Travel Management System | JAVA, MySQL

Nov 2024 – Jan 2025

- Developed “Travel Management System” a web-based PC monitoring system using JAVA and MySQL.
- Implemented user authentication, admin and user roles and secure login system.
- Used JDBC for database connectivity and efficient data manipulation.
- Designed modules for booking travel packages, cancellation, and payment tracking.
- Ensured data consistency and integrity with relational database schema in MySQL.
- Created user-friendly UI for smooth navigation and functionality.

Online webpage for Blood Bank Management System | HTML, CSS, PHP, MySQL

Jan 2024 – June 2024

- Developed a dynamic and responsive “Blood Bank Management System” using HTML, CSS, PHP and MySQL.
- Designed database schema to efficiently manage donor records, blood inventory, and request history.
- Created admin dashboard for managing blood stock, user requests, and system updates.
- Used PHP-MySQL operations for user registration, request submission, and inventory updates.

WORK EXPERIENCE

Intern | CodSoft

Aug 2023 – Sept 2023

- Developed Web applications such as a calculator, landing page under the company’s Guidance and team work.
- Developed Web-Pages using HTML and CSS.

ACHIEVEMENTS

- Solved more than 100 DSA questions on platforms like LeetCode and GFG.

CERTIFICATION

- Data Structures and Algorithm
- C and C++
